**The RM of Beaver River office will be
closed for Family Day February 19, 2018**

Do you own or lease land in an adjoining municipality?

(RM of Meadow Lake #588 or RM of Loon Lake #561)

If so, you are eligible to receive a municipal tax exemption on your permanent residential dwelling as per section 293 of The Municipalities Act.

You must fill out the prescribed form called the "Land Owned or Under Lease Agreement in Adjoining Municipalities". It must be completed with the other RM Administrator's Authorization Signature. You must return the form to the RM of Beaver River's office on or before **March 31st ANNUALLY** to be eligible for this exemption.

Please note the change of the due date from the previous newsletter.

This form can be picked up at the RM office or found on our website (www.rmofbeaverriver622.ca) under the Policies & Bylaws tab—General Government—Farmland Exemption Policy.

Please call the RM of Beaver River office for more info at 306-839-2060.

Employment Opportunity

The RM of Beaver River is hiring a Lagoon & Irrigation Works Operator at the municipal lagoon site located 8 km west of the Village of Goodsoil on a portion of W1/2-06-63-22-W3.

Description of Duties:

In general, this position will consist of:

- ◆ Bi-weekly inspections of cells, grounds and perimeter fencing.
- ◆ Spring set-up/start-up, troubleshooting & maintenance of irrigation works.
- ◆ Pivot and irrigation engine operation; supervision of effluent distribution passes over irrigation field.
- ◆ Collection and transmission of required samples to the Provincial Lab including:
 - pre-irrigation sample from secondary cell (spring season)
 - samples from each of four adjacent piezometer wells (fall season)
 - other samples as identified by the Water Security Agency
- ◆ Compose and present annual operator's report to Utility Commission, RM Council and our Water Security Agency Environmental Protection Officer.
- ◆ Tabulate data, attend annual inspections with Environmental Inspection Officer, communicate as required with Board, Council and WSA.
- ◆ Winterizing of irrigation apparatus: arrange pigging of buried effluent delivery line; removal of intake pipe from secondary cell.

Estimated Part-time Hours:

Total estimated hours for a 12-month period = 150 hours.

The majority of these hours occur in the spring and summer seasons, and gradually diminish to nil as fall freeze-up approaches.

Applications will be received until 4:00 PM March 14, 2018

Applications along with a current driver's abstract, expected salary and references can be submitted to:

RM of Beaver River No. 622

PO Box 129

Pierceland, SK

S0M 2K0

Fax: (306) 839-2178 Email: nicolerm622@sasktel.net

The RM thanks all who apply, but only applicants selected for an interview will be contacted.

RM Lagoon – Grass Cutting Tender

Tenders are now being accepted for the grass cutting at the following location:

8 km west of the Village of Goodsoil on a portion of W1/2-06-63-22-W3 (Municipal lagoon site)

- Seasonal maintenance of grass. Grass cutting with rider and rough cut mowers on dikes, access road ditches, adjacent to control valve structures, adjacent to piezometer wells and irrigation apparatus.
- Removal of weeds and cattails from inner dike perimeter, using a power trimmer.

8:30 am

Updated RM of Beaver River maps
are available for purchase
\$15.75 tax included

Grader Purchase

The RM of Beaver River is pleased to announce the purchase of two 2017 Caterpillar 140M front wheel assist motor graders. The 2011 140M Caterpillar motor grader and the 2010 870G John Deere motor grader were trade-in equipment as per the sales agreement. One grader has been purchased using funds from the RM capital reserve fund savings account at a cost of \$317,964.01 (after tax and trade allowance). The second grader has been financed for \$266,362.53 (after tax and trade allowance) through the Pierceland Credit Union for a 3 year term at a rate of 3.75%.

The 2017 model year is the last year that graders are available without diesel exhaust fluid (DEF) through Caterpillar.

The expenditures required to repair and maintain the 2011 Cat grader and the 2010 John Deere grader had significantly increased over the past year which contributed to council's decision to trade them in.
