Saskatchewan Municipal Hail Insurance

SMHI has been the trusted name in hail insurance, since 1917. As a 100% farmer owned and operated insurer SMHI understands the needs of farmers better than anyone. That's why they strive to provide; cost-effective, flexible hail insurance coverage and payment options with loss adjustments that are both timely and accurate.

With the new crop season fast approaching, I would like to take this opportunity to ask that you consider purchasing your hail insurance coverage through SMHI.

DID YOU KNOW that the basic rate in the RM is 2% for 2018 coverage!? This means that you can cover your wheat crop at \$250.00 per acre for just \$5.00 per acre and canola for just \$6.00 per acre!

As your local agent I invite you to contact me at 306-839-2060 or head office at 1-877-414-7644 to discuss the hail insurance protection options available through SMHI.
