APPLICATION FOR DEVELOPMENT PERMIT

Development Permit Applications will take approximately **1-2 months** to process. This time may occasionally be less but many factors will contribute to whether or not a permit can be handled promptly. Some permits will be required to go to the Municipal Council, others may be required to give notification to surrounding landowners or other parties, and if the essential information is not provided then delays will occur.

The following fees are applicable:

- 1. Permitted Use - \$100
- 2. Discretionary Use - \$200

If you are unsure of whether your use is permitted or discretionary please contact the Municipal Office and ask for clarification. The fees are based on an average cost to review and approve a permit.

If you have further questions regarding development permit fees the Municipal Office has based the fees on the standard among communities in the area and also has copies of a development permit fees rationale available to the public upon request.
