

Policy Type:	200 Protective Services
Policy Title:	04 Protective Services Costs
Authority:	
Bylaw 11-09	
The Municipalities Act	

The cost of fire prevention, suppression and emergency response services shall be charged directly on the persons who receive the service.

The cost mentioned above shall be equal to the cost charged to the Municipality by the Urban Municipality who provided the fire extinguishing service plus any other costs related to such service such as municipal equipment and employees.

The council may authorize the Administrator to add to the taxes of any property owned by the persons who receive the service any amount which remains unpaid at the end of the calendar year.
