Policy Title:	02 Approach Repairs and Maintenance
Authority:	
Resolution 27-10	

The Rural Municipality of Beaver River #622 assumes ownership of the portion of an approach which is on municipal road allowance. Ownership does not apply to approaches along provincial highways.

Repairs to approaches will be done by maintenance department at the discretion of council and must have council approval.

Whereas the purpose of an approach is primarily to provide access to the adjacent property owner; it shall be the responsibility of each property owner to maintain their approaches, which may include snow removal and/or gravelling.
