| Policy Title: | 06 Compensation for Lessees/Owners Accommodating RM Gravel Quarries |
| Authority: | |
| Motion 334-09 | |

Background:

Council acknowledges that property owners and/or lessees who accommodate an RM –held gravel quarry lease on their property are subjected to periodically high concentrations of municipal activity.

Action:

Lessees/Owners of land supporting an RM-held gravel quarry lease shall be compensated with an annual delivery of 20 yards³ of crushed gravel to the yard site of the lessee/owner.

Delivery of gravel shall be arranged by the RM administration, in consultation with the owner and RM maintenance staff.

The above-described compensation shall be provided on an annual basis, for the duration of the RM’s quarry lease.
