

# Fall Newsletter

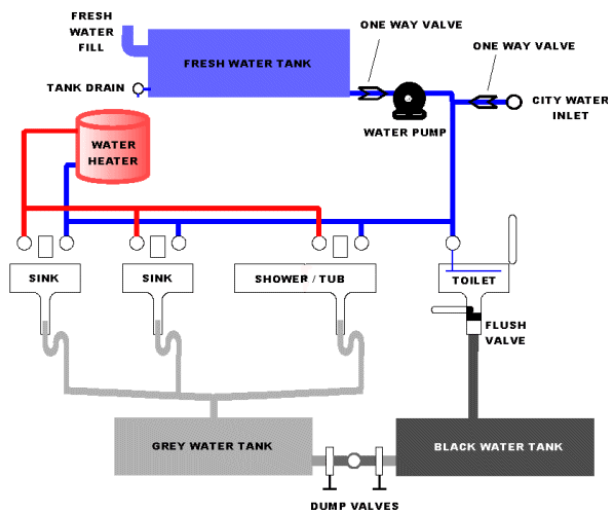

As we end another beautiful summer at Lauman's Landing we would like to ask our customers to please supply us with your email addresses and phone numbers so we can stay in touch during the long winter season. It costs us a fair amount of money to continue to send correspondence through Canada Post. We would like to reduce this expense in our budget and send as much as possible through email. We are looking into sending receipts and possibly bills by email in the future. Recently Past Due notices were emailed to those affected and it seemed to work reasonably well.

Please let us know of any concerns you may have regarding this change.

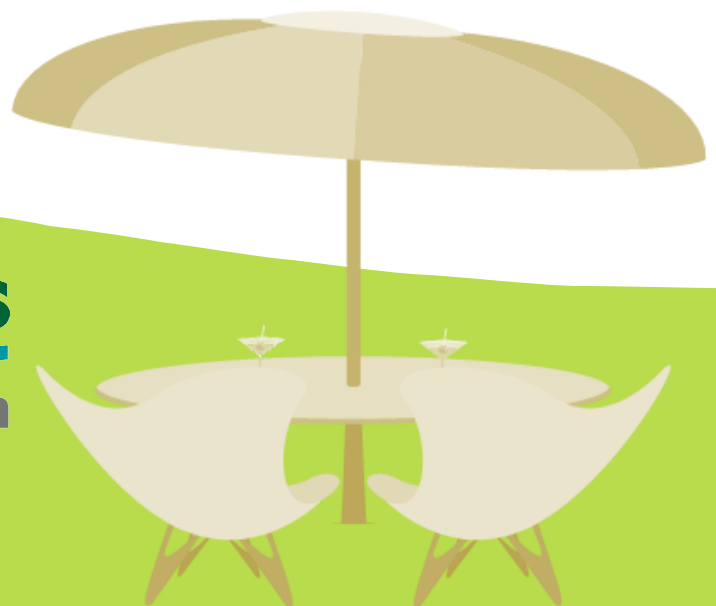

Please email Heather at [lacdesilesutilities@sasktel.net](mailto:lacdesilesutilities@sasktel.net) or call 306-839-2066

Please note:

Trailers and Park model trailers come equipped with one way valves on their water system. It is in every-one's best interest and safety to not tamper with or disable these valves.

**In accordance with RM of Beaver River Bylaw 02-18, accounts shall be paid within a period of thirty days from the date on which such accounts are rendered. Interest is charged after the due date. If an account is not paid within the period of thirty (30) days, the water service may be shut off. When the water service is shut off, it shall not be turned on until all arrears have been paid, together with a fee of \$200.00 to cover the expenses of turning off the water and turning it on again.**
