

RM of Beaver River

No. 622

Providing ratepayers with
current and correct information
pertaining to the RM

July 2019

www.rmofbeaverriver622.ca 159 Main Street, Pierceland 306-839-2060

Civic Addressing is here!

Objective:

- To enact a uniform system of numbering driveways and approaches available to all homeowners in the RM.
- To encourage public safety by assisting emergency responders such as police, fire and ambulance in finding a home or business quickly.
- Provides an easy method for other parties such as service and delivery companies to locate a property.

Policy:

- Civic addressing is NOT mandatory, however, it is a highly recommended voluntary program.
- Each individual homeowner with a residence within the RM shall be responsible to complete the "Application for Assignment of Civic Addressing" form. Should there be more than one family dwelling per driveway or approach, each separate homeowner shall be responsible to complete the "Application for Assignment of Civic Addressing" form as different addresses will be assigned to each home.
- A member of the office staff shall then, within 30 days of the application, provide each applicant with a civic address.
- All signage order arrangements may be made as per ONE of the following options:
 - OPTION 1: Applicant orders signage personally through any vendor of their choosing in accordance with "Sign Specifications" listed in the policy;
 - OPTION 2: Applicant orders signage and remits payment through the RM office. A cheque must be written to the vendor as arranged by the RM in accordance with "Sign Specifications" listed. When signage is complete, the applicant will be contacted by RM staff for pickup at the RM office.
- RM office staff shall ensure that the numbering system is properly maintained, keep a record of all civic address numbers assigned under this policy and forward all records to Sask911.

Sign Specifications:

- Any civic addressing signs installed on a property after the adoption date of this policy shall abide by the following standardized specifications:
 - Rectangular in shape and a minimum of 18" x 10" (45cm x 25cm).
 - Civic number shall be in Swiss 924BT text.
 - Color of the numerals shall be white and reflective or illuminated.
 - The height of the numerals shall not be less than 5.5".
 - The color of the background upon which the numbers are displayed will be blue.

Existing Signs:

- Any civic addressing signs posted on a property on or prior to the adoption date of this policy is hereby exempt from the restrictions above and may continue to be used as it stands,
- It is the responsibility of each individual homeowner(s) with existing signage on their property to ensure their civic addressing number listed is correct.

For the complete Civic Addressing policy (300-22) and application forms please refer to our website or stop by the office in Pierceland.

Thank You So Much!

The RM of Beaver River Reeve,
Council and Staff would like to send
out a huge thank you to all
Emergency Personnel and Volunteers
for their service after the tornadoes at
Lac Des Isles on June 29, 2019.

**Our communities pulled together to ease the devastation caused by the storm.
From sawing and clearing trees to comforting victims and providing shelter, food
and water, your efforts were not without notice.**

**We are very proud of our residents and visitors in coming together during this
emergency!**

**Goodsoil Transfer Site is now
open on Thursdays 10-4 for the
months of July and August**

RM Transfer Site Hours

10:00 a.m. to 4:00 p.m.

Pierceland

Wednesday and Saturday

Goodsoil

Tuesday, Thursday and Sunday

Goodsoil - Thursday July and August only

Lac des Iles

Utility Commission

The next regular meeting of the Lac Des Iles Utility
Commission has been changed from July 12 to
August 9, 2019.

RM Website Feedback

Now that the updated RM of Beaver River website has been running for a year or so we would welcome any feedback on what appears on the site as well as anything you feel is missing. We try to keep as up to date as possible but sometimes staff time constraints cause delays.

Also of note, the Council Meeting Minutes are not posted until they are approved and signed at the next council meeting.

Ratepayer Communication Form

If you would like to communicate information and concerns to your RM of Beaver River Reeve and Council it is preferred that you use a Communication Form. The form is available in the office during business hours or on the website under Policies and Bylaws/RM Policies/100 General Government. This form can then be presented to council at the next regular Council Meeting.

Lac des Iles Utilities Office:	306-839-2066

Map Feedback

Our new RM maps have been out for a couple of months now. We would appreciate any input you have for the next issue. Did you notice any errors in this map? Are your properties marked properly? We are working with Munisoft Mapping to ensure our maps are as accurate as possible.

The new map is also available on our website. We have been advised that it doesn't always appear correct, depending on what version of Adobe Reader you have on your device. Unfortunately there is nothing we can do to solve that. What we have posted on our website is correct.

We are still waiting for the final proof of the subdivision maps and will post in future RM newsletters when they will be available for purchase.

**The Annual Ratepayer Meeting
is set for August 9th, 2019 at
7:00 pm
Pierceland Community Hall
(Unfortunately Goodsoil Hall was booked
for this date)**
