Did You Know?

Snow Isn't Actually White

That's right, snow is actually clear. Snowflakes are made out of ice crystals, so when light passes through, it bends and bounces off each individual crystal. The entire spectrum of light is reflected back to our eyes, and we see white snow. So there's actually no such thing as a White Christmas, but that sounds a lot catchier than Translucent Christmas!

The RM of Beaver River office will remain open November 11 and in lieu will be closed November 13, 2020 to observe the Remembrance Day holiday.

Snow Plowing

The RM of Beaver River can be contracted to snow plow your driveway. Prepaid snow plow flags are available at the RM office for \$40 plus GST. A form must also be filled out authorizing the RM to complete this work. The form is available both at the RM office and on the website under Policies & Bylaws, then click on RM Forms. If you purchase a flag and place it at your driveway entrance the work will be done when the grader is in your area.

Each flag is only good for one grader visit.
