Property Revaluation Year

Provincial legislation requires all properties in Saskatchewan be revalued once every four years. For the 2021 revaluation, the base date used for assessment values is January 1, 2019. This ensures assessed values are more current, as property values change over time.

For additional information on this year's revaluation please go to our website www.rmofbeaverriver622.ca to access the following documents:

- ◆ [How Property Assessment Works in Saskatchewan](#)
- ◆ [Understanding Assessment](#)
- ◆ [2021 Municipality Info Sheet](#)

Please feel free to call the RM office 306-839-2060

or

the Saskatchewan Assessment Management Agency (SAMA) 306-446-7665

if you have any questions.

Attention Saskatchewan Municipal Hail Members

March 31st, 2021 is the last day to withdraw from SMHI coverage.

Please be advised that the crop exemption deadline is fast approaching. If you do not require coverage on all crops, a crop exemption application must be filed on or before **April 30th, 2021** to be effective for the 2021 season. For more information please contact Nicole Neufeld at the RM office.

Civic Address Signs

Some residents have experienced issues with Emergency Services finding their legal land location in an emergency. Did you know that the RM has a civic addressing policy for your public safety? Supplying your quarter section address will get EMS to your land location but a civic address actually pinpoints your driveway on the adjoining roadway saving valuable time in an emergency.

The application form for a civic address can be found on the RM website, under the Policies and Bylaws tab, then click on RM Forms, Civic Addressing Application Form. You may choose to have your own sign made or civic address signs are available for order through the RM office. A cheque made payable to GPR Signs in the amount of \$55.50 should accompany your application if you want us to order your sign for you.

Did You Know?

How the Easter date determined every year

First off, it's important to know that though the exact date of Easter changes each year, there's a definite period in which the day occurs, and that's March 22 through April 25 (in the Gregorian calendar, not the Julian calendar). Easter always occurs on the first Sunday after the Paschal Full Moon (the first full moon that occurs after the vernal equinox, which signifies the beginning of spring in the northern hemisphere), according to *The Old Farmer's Almanac*.

In 2021, the vernal equinox falls on March 20, 2021, making the first full moon after that date March 28 and the following Sunday—April 4—Easter 2021.

FROM THE DESK OF THE EASTER BUNNY

Hello Kids!

I know things may be a little different right now and you may be asking if you're going to get a visit from me this year.

Not to worry, we may be social distancing but Easter isn't canceled! You'll be happy to hear that doctors have confirmed the bunnies cannot spread COVID-19, so I'll be hopping along to your house this year with your Easter basket. Spreading Easter cheer is an essential service!

To keep everyone safe and healthy, I won't be able to do any bunny visits and photos this year. But I would love to receive a photo of you with your Easter basket!

Have a Healthy and Hoppy Easter!
