

RM of Beaver River No. 622 Newsletter

306-839-2060

<http://www.rmofbeaverriver622.ca>

April 2016

Advantages of a Newsletter

The purpose of this Newsletter is to provide our ratepayers with **current and correct information** that pertains to this RM.

Planned Meetings

Lac Des Isles Utility Commission—May 18th, 2016

RM No. 622 Regular Meeting—May 13th, 2016

Lauman's Landing Meeting—Tentative

(May Long Weekend—contact your representative)

FIRE BAN—Effective as of April 20th

Effective until further notice

TENDERS

The RM will use this monthly Newsletter to post any relevant tenders. Tenders will also be posted at the RM Office and on other public post boards. They will also be included on the

RM of Beaver River No 622 website

@ www.rmofbeaverriver622.ca

and at

SASK TENDERS

@ www.sasktenders.ca

ROAD MAINTENANCE

We have completed a road inspection tour of all RM roads . Hopefully we have a complete list of all repairs that need to be done. Our road maintenance staff have been out grading most of the roads. Some of the staff are active doing road repairs. We hope to repair culvert problems and spots in the roads that need some fill. The gravel program will begin the first part of May and we anticipate completion prior to the end of June. Throughout the summer if you are aware of any road problems, please contact your councillor.

Ratepayer Feedback

If you have questions or concerns, please

- 1) *Contact your Councillor*
- 2) *Contact the RM Office*
- 3) *Contact the Reeve*
- 4) *Fill out a communication form*

RM meeting minutes are posted on our website after approval by council.

Grading of Driveways

You can request to have your driveway graded. You will be billed for this. Billing will be based according to the time spent on your driveway. Contact the office for the necessary procedure.

This Newsletter will be distributed by Canada Post to all mail boxes in Goodsoil and Pierceland unless you have opted for no flyers.

You can also pick up a copy at the RM Office or receive this newsletter by email upon providing your email address to the office.

PEST CONTROL OFFICER

John Harrison

EMPLOYMENT OPPORTUNITY

The Lac des Iles Utility Commission invites applications for the position of Part-time Wastewater & Irrigation Works Operator

The Rural Municipality's wastewater lagoon and irrigation works is located west of the Village of Goodsoil on a portion of the West ½ -6-63-22-W3.

Estimated hours for a 12 month period = 150 hours.

The majority of these hours occur in the spring and summer seasons, and gradually diminish to nil as fall freeze-up approaches.

Qualifications:

- Wastewater Certificate for Small Systems (minimum), or willing to train.
- Valid Class 5 Driver's License and dependable transportation.
- Ability of work independently with limited supervision
- Basic problem solving and mathematical skills.
- A grade 12 certificate is required as a prerequisite to pursuing wastewater certification courses.

For further information on the above-described position, please contact the Rural Municipality of Beaver River #622 @ 306-839-2060, or visit the RM's website: <http://www.rmofbeaverriver622.ca>

Letters of application for this position, together with a resume, references and expected salary may be submitted to: RM of Beaver River #622, P.O. Box 129, Pierceland, SK S0M 2K0, or e-mailed to: rm622@sasktel.net

Application Deadline: Open until filled

R.M. of Beaver River No. 622
