Re: **2018 Confirmed Education Property Tax Mill Rates**

The 2018 provincial education property tax mill rates have been formally confirmed by Order in Council; these are to be levied with respect to every property class for the 2018 taxation year, as follows:

Agricultural Property	1.43 mills
Residential Property	4.12 mills
Commercial/Industrial	6.27 mills
Resource (oil and gas, mines and pipelines)	9.68 mills

The rates remain unchanged from the 2017 taxation year.

Some separate school divisions have chosen to set and levy their own education property taxes, and in those instances those rates will apply.

If you require additional information, please call the Property Assessment and Taxation Unit at (306)787-2730.

Sincerely,
