Bylaw 11-09	Resolution 131-10
Bylaw 59	
The Prairie and Forest Fire Act, 1982	
The Municipalities Act	

The local Fire Chief or designate shall contact the councillor or fire ranger for the respective division as soon as it is practical to notify them of a fire in their jurisdiction.

The fire chief or designate, in consultation with the division councillor, shall determine if additional equipment is required to extinguish the fire.

If the fire chief is not able to contact the division councillor or fire ranger, the local Fire Chief of the Urban Municipality supplying the service of fire protection shall be authorized to contract any additional equipment deemed necessary to extinguish a fire within the RM of Beaver River # 622.
