

Policy Type:	300 Transportation
Policy Title:	15 Material Removal from Road Allowance
Authority:	
Government of Saskatchewan Sand and Gravel Policy revised February 2018	
The Municipalities Act 2006, Section 143, 144	
Resolution 201-13	

Whereas The Rural Municipality of Beaver River # 622 get requests from time to time to removed materials from undeveloped road allowances that the following policy be adopted:

1. Whereas council wants to ensure road allowances remain intact for future development, no soils or aggregate shall be removed from road allowances.
2. Whereas liability is a concern, no timber shall be removed for fire wood purposes.
3. Timber may be salvaged by qualified wood processing contractors upon approval of council and the regulating governing bodies.
