Resolution 457-10	
Occupational Health and Safety Policy	

The management of the Rural Municipality of Beaver River No. 622 is committed to preventing the accidental loss of any of its resources, including employees and physical assets.

In fulfilling this commitment to protect both people and property, management will provide and maintain a safe and healthy work environment in accordance with industry standards and in compliance with legislative requirements, and will strive to eliminate any foreseeable hazards which may result in property damage, accidents or personal injury.

Management encourages all employees to participate in the program and provides proper equipment, training and procedures. Employees are responsible for following all procedures, working safely, and wherever possible, improving safety measures.

Accidental loss can be controlled through good management in combination with active employee involvement. Safety is the direct responsibility of all managers, supervisors and employees.
