| Authority: | |
| Resolution 27-10 | Amended Res # 186-20 |

The Rural Municipality of Beaver River No. 622 assumes ownership of the portion of an approach which is on municipal road allowance. Ownership does not apply to approaches along provincial highways.

Culvert repairs or replacements within approaches will be completed by RM maintenance Staff at the sole discretion of council and must have prior council approval via resolution.

It shall be the responsibility of each property owner to maintain their approaches, which may include filling of potholes or ruts, snow removal and/or gravelling.
