Snowploughing

The Snowploughing of Private Drives and Lanes Policy was amended via Council resolution #227-24 at the September 19th meeting. The changes include:

- Flag fee price increased to **\$100.00 per flag** (per service).
- **Bus routes, primary municipal roads and secondary municipal roads are priority. Driveways may be ploughed only AFTER the aforementioned is complete, as time permits.** Furthermore, the property owner acknowledges that on occasion, due to unforeseen circumstances, that their laneway may not be ploughed by the Municipality and that they may be required to make alternative arrangements to have the laneways ploughed.

Fresh snow absorbs sound, lowering ambient noise. The trapped air in the structure of snowflakes acts as a dampener.

That is why it is so peaceful when it snows.
